

Report on the work of the WFCC-EDC group in 2026

1. Approval of the disqualification of a participant in the ISC 2026.
2. Approval of the disqualification of two participants in the current YCCC-10, 2026.

Both of the above were done after a review of the details and circumstances submitted by the respective directors of the events.

3. A draft guidelines document for youth composing events was produced for further review, discussion and finalisation by members of the youth and EDC groups.
4. The EDC group mourns the loss of Klaus Wenda, whose experience and advice will be much missed and we need to select a new member.
