First realized a complicated task from six variations with two play systems and three same-square mechanisms of white moves. In the first three variations the second moves on square e6 and mating moves on c5, 9WCCT theme. In the second group of three variations with change of function mating moves on square e6. Key from thematic square e6.

Впервые реализован сложный таск из шести вариантов с двумя системами игры и тремя механизмами одного поля белых ходов. В первой тройке вариантов вторые хода на поле e6 и матующие на c5, тема 9WCCT. Во второй тройке вариантов с переменной функции матующие ходы на поле e6. Вступительный ход с тематического поля e6.
